

# Welcome

to Summer Discovery Camp at the EcoTarium!

Extraordinary explorations and awesome adventures are on the agenda once again as we gear up for a summer filled with hands-on science and nature activities and fun with friends old and new.

Please review the contents of this Camp Welcome Packet carefully to ensure that everything is in order before the start of camp. Included you will find a Pre-Camp Checklist to help keep you on track between now and the summer as well as the following very important documents.

- ✓ Camp Checklist & Pack List (page 2)
- ✓ Camp Overview & Guidelines (pages 3-5)
- ✓ Late Pick-Up Policy (page 5)
- ✓ Typical Day in the Life of an EcoTarium Camper sample schedule (page 6)
- ✓ Camp Behavior Management Policy (pages 7-8)
- ✓ Health History Form – **requires physician AND parent/guardian signature**
- ✓ Camper Info/Permission Form – **requires parent/guardian signature**

The Camp Overview & Guidelines provides more detailed information regarding camp policies and procedures, plus answers many questions you may have regarding this summer's program. In accordance with camp licensing regulations, the Health History Form and Camper Info/Permission Form must be filled out, signed and returned to camp **no later than May 25, 2018**. Any final camp payments must also be received by this date. Required camp forms are also available at the EcoTarium's front desk and online at [www.ecotarium.org/summercamp](http://www.ecotarium.org/summercamp)

**Please return ALL camp forms to the EcoTarium by May 25, 2018**

If you have questions about the camp experience, please do not hesitate to contact me. On behalf of the summer camp staff, we look forward to making lasting memories this coming summer.

Sincerely,

Geoff McCann, Camp Director

## Pre Camp Checklist

- ☑ Make sure registration information, including child's birth date, has been filled out in its entirety. This information is vital to ensure he/she is placed in the appropriate age group and that camp roster is accurate.
- ☑ To secure your spot(s) in camp, a non-refundable deposit was made at the time of registration unless camp fees were paid in full. Any outstanding **balance is due by May 25, 2018.**
- ☑ **Required Camp Forms:** Complete and return by **May 25, 2018.** Copies of forms are provided in this Camp Welcome Packet. Additional copies available online at [www.ecotarium.org/summercamp](http://www.ecotarium.org/summercamp) or at the EcoTarium front desk. ***In accordance with BOH regulations, the child will not be able to attend camp until required camp paperwork is received and processed.***
  1. **Health History Form:** provides camper's medical history, authorization for treatment and health insurance info. Parents fill out one section and attach a doctor's form to it with immunizations and doctor's signature.
  2. **Camp Info & Permission Form:** includes a list of adults authorized to pick-up/drop-off the camper, field trip transportation permission, photography release, and permission.
- ☑ **Medications:** If your child requires medication (prescription or over-the-counter), written documentation of dosage and medication instructions, including a parent's signature, must be submitted for each medication. Sample medication forms are available online at [www.ecotarium.org/summercamp](http://www.ecotarium.org/summercamp). All medications must be given to the Camp Director in the *original* container. Please see page 4 for more information.

## **Camp Forms**

Upon registering for camp, parent(s)/guardian(s) will receive a welcome packet including required Camper Info/Permission Form and Health History Form which provide camp staff information about how to keep their child safe, happy, and healthy. Please be forthcoming with information via forms and prior to the start of camp to help us ensure a positive and successful experience for all. If there are additional questions, concerns, or information about your child that you feel would be helpful for us to know, please contact the Camp Director at [campdirector@ecotarium.org](mailto:campdirector@ecotarium.org) or 508.929.2755.

Please note that parent/guardian signature is required on both forms. Additionally, a doctor's signature is required on the Health History Form. In accordance with BOH camp regulations, ***campers who have not submitted required camp forms will not be admitted into camp.***

## **Camp Hours**

Standard Summer Discovery Camp (ages 7-14) and full day Tadpole Camp (ages 5-6) operates from 9:00 a.m. to 4:00 p.m. every day, except Fridays, which end at 5:00 p.m. Tadpole half-day camp operates from 9:00 a.m. to 12:30 p.m. Monday through Friday. Please help us keep camp running efficiently and on time and allow for extra time to enter through the gate and park when dropping off and picking up campers. All camp families, including Tadpoles, are welcome to join us for our Friday Evening Family Pizza Party from 5:00 p.m. to 7:00 p.m.

## **Extended Hours**

Morning and afternoon extended hours are offered from 7:30 to 9:00 a.m. and 4:00 to 5:30 p.m. for an additional cost. Space is limited and is not guaranteed, so sign up early! To register for extended hours, call the Reservations Department at (508) 929-2703.

One to two counselors will supervise extended hours each morning and afternoon. Morning extended hours will always take place in the camp classrooms on the second floor of the museum. For afternoon extended hours, please follow the same pick-up rules as you would at 4:00 p.m.

*Please be here promptly by 5:30 p.m., or late fees apply.*

## **Morning Drop-Off**

Campers are to be dropped off at the EcoTarium between 8:45 a.m. and 9:00 a.m. (7:30 a.m. if participating in extended morning hours). Morning drop-off occurs in the camp classrooms located on the second level of the museum. An adult must accompany the camper when dropping him/her off. If you are running late, or your child will be absent from camp, please leave a message with the Camp Director at 508.929.2755.

## **Afternoon Pick-Up**

Once campers are dropped off, camp counselors may only release them to an adult who is listed on the release authorization section of their Camper Info/Permission Form. You must sign your child out and show a photo ID before he or she will be released. Board of Health camp regulations prohibit the EcoTarium from releasing a child to anyone who is not authorized on this form or who lacks a photo ID. Pick-up takes place promptly at 4:00 p.m. in the camp classrooms on the second level of the museum. ***Please see page 5 of this packet to learn about the late pick-up policy.*** On Friday, pick-up is at 5:00 p.m.

## **Early Pick-Up**

If you are picking up a camper earlier than 4:00 p.m., you must be the child's parent/guardian or have a written note signed by parent/guardian authorizing the early release. Please give your child's camp counselor or the Camp Director at least 24 hours notice of any anticipated early release.

## **Lunches and Snacks**

All campers, including Tadpole half-day campers, must bring a nutritious lunch and a beverage to camp every day. We suggest a sandwich, fruit juice or water, crackers and cheese, carrots or other vegetable, fruit and other similar fare. Campers should also bring a mid-morning snack. Full-day Tadpole campers may bring both a morning and afternoon snack. Please plan for meals that do not need refrigeration. Microwaves and toaster ovens will not be available to campers due to time constraints and limited resources. If lunches are comprised primarily of candy, pastries, soda or similar, we will contact parents to request more nutritious food for enrolled campers. Use of the snack bar, vending machines, or outdoor café, during camp is strictly prohibited.

## **Family Pizza Party**

On Friday evening of every camp session, the families of campers are invited to attend a pizza party at the EcoTarium. We will provide pizza, drinks, and all the paper goods! The campers provide the entertainment! Please note sign out is at 5:00 pm on Fridays.

## **Museum Gift Shop, T-shirts, and Money**

Please do not send your child to camp with money. If a camper wishes to visit the Museum Shop, s/he may be accompanied by a parent after they have been signed out for the day. Camp t-shirts will be available for purchase outside the camp classrooms at pick-up time.

## **Explorer Express Train Rides**

Weather permitting, all campers will have the opportunity to ride our Explorer Express Train once per week.

## **Health & Safety**

Campers appearing to have contagious disease will be quarantined and sent home. The EcoTarium Summer Discovery Camp reserves the right to restrict enrollment and/or participation in camp activities in the event that participation in camp is deemed unsafe and/or unsuitable for a child by camp staff, either for the safety/experience of the child, camp staff, or other campers.

## **Medications**

All medications (prescription or over-the-counter), must be given to the Camp Director in the *original* container. Written documentation of dosage and medication instructions, including a parent's signature, must be submitted with each medication. Sample medication forms are available online at [www.ecotarium.org/summercamp](http://www.ecotarium.org/summercamp). Medication will be kept in a locked box and administered by the on-site medical assistant. This includes over-the-counter medications such as Tylenol or Motrin. According to health regulations, we are not allowed to give any medications to your child without your prior permission. Please give all medications to the Camp Director at the beginning of your camp session. Your child will not be allowed to hold his or her own medication with the exception of an inhaler that is needed frequently.

## **Aides and Behavior Considerations**

Summer Discovery Camp aims to work with parents and their children who receive support at school in the form of behavioral aides, IEPs/BIPs for learning and behavioral development, personal caregivers, etc. To facilitate making accommodations to best support your child, camp staff request a minimum of three(3) weeks notice of camper need. If an aide or caregiver regularly assists your child at school, we welcome and encourage the aide to attend camp alongside your child. Please note that all aides will be treated by the EcoTarium as camp volunteers and accordingly must complete EcoTarium Volunteer Orientation and pass a background check prior to the start of camp.

## **Medical Conditions and Assistive Devices**

If camper requires any assistive device (e.g., wheelchair, braces, communication board, etc) or other accommodation (e.g. specialized medication protocol, major allergy, etc.), please contact Camp Director a minimum of three(3) weeks in advance, so that proper support can be provided for each camper and his/her respective camp group.

## **Camp Staff**

Our staff to camper ratio is approximately 1:10 for 7-14 year olds, and 1:5 for 5 & 6 year olds. Most counselors are college-age or adults. Staff participates in an intensive, week long training, and is certified in both First Aid and CPR. Each counselor supervises 10 campers (5 campers for Tadpole Camp), and may be assisted by one 13-14 year old Counselor-in-Training (CIT) and at least one 15-17 year old Junior Counselor (JC). The Camp Director, Assistant Director, and Museum Education staff provide additional adult supervision. All staff and volunteers working with our campers undergo CORI and SORI background checks.

## **Off-Site Trips**

Campers in Outdoor Adventures will participate in one or two day trips to regional field sites that enhance the week's programming. Campers will explore nature in a more natural setting than at the museum and will enjoy pond/meadow investigations, nature hikes, and outdoor team-building activities while furthering exploration of our other themed activities. Campers and counselors travel by school bus, plus at least one staff vehicle travels with the buses to provide support in case of emergency. On field trip days, please ensure your child comes prepared to be outdoors in variable weather conditions. If it rains, we'll still enjoy the outdoors.

Additionally, depending on camp theme and age group, all campers (including Tadpoles) may travel on foot to Greater Worcester Land Trust's Crow Hill field and nature trails directly across from the EcoTarium and managed in partnership with the EcoTarium.

Please be sure to ***sign the Transportation/Field Trip Permission section*** of the Camper Info/Permission Form so your child may participate fully in all camp has to offer.

## **Late Pick-up Policy for Summer Discovery Camp**

**PURPOSE:** To maintain the integrity of the program, to respect both the hours of operation of the program and the cost of staff time, the following policy has been put into place. On the camper permission form, your signature is needed acknowledging that you have read and understand the EcoTarium Summer Discovery Camp Late Pick-Up Policy.

### **Late pick-up fee is \$5.00 per 5 minute increments.**

Example: Pick up time ends at 4:10 p.m., if parent signs camper out at 4:12 p.m., a \$5.00 late fee will apply. If a parent signs camper out at 4:28 p.m., a \$20.00 late fee will apply. **Late fee payment is due immediately.**

### **All campers need to be picked up between 3:50 and 4:10 pm, with the exception of the following:**

- Half-Day Tadpoles – need to be signed out between 12:20 and 12:30 p.m.
- PM Extended day campers – need to be signed out by 5:30 p.m.

Late fees will apply after 12:30 p.m. (half-day Tadpoles) and 5:30 p.m. (PM extended care)

For the **Family Camp Pizza party on Fridays**, all campers (with the exception of half-day tadpoles) are allowed to stay signed in until 5:00 p.m. After 5:00 p.m., the late fees will apply.

If you are running late to pick up your camper, please call the camp director as soon as possible. **Late fees will still be charged.**

Parent must sign out their child with the accurate time of pick-up in the 'Late Pick-up Log'. Pick-up time is determined from the camp's clock setting. Fees are based on the time camper is signed out, not the time parents pull into the front gate.

If a parent or authorized release contact person does not arrive or call within 5 minutes past the designated pick up time, staff will begin to call the authorized release contacts for the camper. If no authorized release contact can be reached within one hour past the designated pick up time, the Camp Director and EcoTarium management may make the decision to contact proper authorities.

## **Summer Discovery Camp Behavior Management Policy**

Summer Discovery Camp at the EcoTarium advocates a camp behavior management policy with an emphasis on positive reinforcement, redirection, prevention, and the development of self-discipline for campers. Rules are established for the safety of campers, staff and the public and to ensure that we have a common code of conduct at camp. Discipline and guidance shall be consistent and based upon an understanding of the individual needs and development of a child. The EcoTarium shall direct discipline to the goal of maximizing the growth and development of campers and for protecting the group and individuals within camp. If a child is unsuccessful in meeting the behavioral expectations of our program, a parent conference is arranged. If the behavior continues this could result in dismissal from camp.

Corporal punishment, including spanking, is prohibited. No camper shall be subjected to cruel or severe punishment, humiliation, or verbal abuse. No camper shall be denied food, water, or shelter as a form of punishment. No child shall be punished for soiling or wetting themselves or for not using the toilet. A child will be restrained only in the event of possible injury to the child or other children in the group.

### **Behavior Guidelines and Expectations:**

All campers are expected to demonstrate a mutual respect for each other and for the staff. In order to provide the safest environment possible, we require strict adherence to all camp rules and policies.

### **Overall Camp Rules:**

1. Be safe
  - a. Keep yourself safe
  - b. Be safe with others
  - c. Be safe with equipment and supplies
2. Be respectful
  - a. To all campers, staff, and junior counselors
  - b. To all museum visitors
  - c. To museum property and camp supplies
  - d. To the environment
3. Have fun

Summer Discovery Camp practices a ZERO TOLERANCE POLICY FOR HITTING. Campers who repeatedly strike other campers or counselors will minimally be sent home for the day. Summer Discovery Camp also practices ZERO TOLERANCE FOR BULLYING. Harassing or bullying other campers will initiate a parent conference and may result in camper being sent home for at least one day. Camper fees are non-refundable if a camper is sent home for disciplinary reasons.

Camper Groups will go into further details about these rules and guidelines with their counselor. Camper group rules will cater to each age group.

## Discipline Procedure:

When a camper does not follow the behavior guidelines and camp rules, we will take the following action steps as behavior problems progress:

1. Staff will redirect camper to more appropriate behavior
2. If inappropriate behavior continues, the camp counselor and camper will discuss and be reminded of behavior guidelines and camp rules.
3. If the camper's behavior does not meet expectations and is affecting the experience of other campers, he/she will receive a "strike one" warning. The camp director will be notified, as well as the camper's parents.
4. If inappropriate behavior continues, he/she will receive a "strike two" warning, in which case the camp director will notify the parents and arrange for a meeting.
5. If any acts of violence or severe disrespect occurs, an incident report may need to be completed.
6. If inappropriate behavior continues, as a final action step the camper may be dismissed from camp.
7. If a camper leaves the EcoTarium property without permission of camp staff, 911 will be called.
8. All strike incidents and/or immediate dismissals will be kept on record.

## Camper Behaviors resulting in Immediate Dismissal and/or Automatic Strike 2:

Please notice in the following chart that there are some actions that require immediate dismissal from the program, as well as actions that result in an automatic "strike 2". Some behaviors and actions will result in an automatic strike two, regardless of whether the camper has received a "strike one".

There are some cases where an immediate dismissal will occur, regardless of the camper receiving strikes one or two. Some actions are situation dependent, and we call this category "camp director's decision" and it will be the camp director's decision whether the act will result in an automatic strike 2 or immediate dismissal. An arrow indicates that an exception may be made to move a behavior/action to another category.
