**Objection to Physical Examinations and/or Immunizations  
and Agreement to Procedure for Medical Emergency**

I request that my child, \_\_\_\_\_,  
be excused from the camp requirements of physical examination and/or all immunization requirements as allowed by the Massachusetts Department of Public Health regulation 105 CMR 430.153. Physical examinations and/or immunizations conflict with our religious beliefs.

To the best of my knowledge and belief he/she is in normal good health and is free from all communicable diseases.

In the event of a situation which EcoTarium staff members consider a serious medical emergency, EcoTarium staff may take any emergency measures, including contacting or summoning emergency medical personnel, as they deem necessary. I understand that EcoTarium staff will notify me as soon as is practical at the phone number listed below to inform me of the situation and the measures which have been taken.
